CLARKSVILLE HIGH SCHOOL WILDCAT BAND
COMMUNITY SPONSORSHIP PROGRAM

Presented by the Clarksville Wildcats Band Boosters

Dear Community Partner,

The **Clarksville Wildcats Band Boosters** invites you to partner with us in supporting the students of the **Clarksville High School Wildcat Band**.

Our students dedicate countless hours to developing their musicianship and performance skills while learning discipline, leadership, teamwork, and the value of working together toward a common goal.

This year, the Clarksville High School Wildcat Band will once again proudly represent our community at the **Bands of America Grand National Championships**, one of the most prestigious marching band competitions in the country.

We aren't just performing. We're representing Clarksville.

Opportunities like these require significant resources. Travel, transportation, competition fees, equipment, uniforms, and other program expenses extend beyond what available school funding can cover.

That's where the **Clarksville Wildcats Band Boosters** and our **Community Partners** make a difference. The Boosters work to provide financial support and resources that help the Band and its students succeed. By becoming a sponsor, your business or organization helps us continue providing these opportunities while demonstrating its commitment to students, education, and the Clarksville community.

We've developed five sponsorship levels, ranging from **Bronze at $500** to **Diamond at $20,000**, providing increasing opportunities for your organization to be recognized for its support.

More importantly, your sponsorship sends a message to our students: **Clarksville believes in them, supports their hard work, and is proud to have them representing our community.**

We would be honored to have your organization join us as a **Community Partner**. Thank you for considering an investment in our students and in the future of the Clarksville High School Wildcat Band.
